

Brother Knights,

February 15th, 2019

We had a great general meeting on Monday night. We funded father Dan's fence. We voted to upgrade are bingo machine. There were 25 brothers at the meeting. And it was very nice to see Fr. Chris at the meeting also. Thank him next time you get a chance. It was great to see more of you attending our meetings. And all of this got completed in an hour. amen to that.

Mike Mullins is taking a break which left Bingo unattended. I will be temporarily covering both bingo's.

I am asking for a brother Knight to cover one of the bingo's. We have procedures in place and stream lining the paperwork. It is a commitment and between two of us it will be flexible enough that we can cover for each other and not make it a daunting task. Please help as this is are major fund raiser. Please contact me and we can go over details and make are bingo program the best in the valley.
