

Brother Knights,

November 2018

1. Rocky is looking for the person or persons that may have disposed of a writing board on wheels that was stored in the chair room. Anyone with information can remain anonymous by slipping a note in Rocky's mail box in the mail room.

2. I received information that Louise Artellan, wife of deceased Knight Jerry Atellan passed away around 11-16-2018. They are hoping for a grave side service in the spring. Their daughter Alice's phone number is 775-265-6262.

3. Before the next bingo on December 14th, from 6pm to 6:30 Jim Smith will be cross training Knights on Bingo calling. That way we can have backups for times when regular callers cannot make it.

4. Father Dan has insisted that the Knights pay for the fence at the rectory. The lowest bid I received for installing just the posts was \$3800.00. Then there is \$2500.00 for lumber.

and would require several Knights a full day of labor..

I need help with this. Not sure where the money would come from as we have a building that is going to require substantial funds to furnish.

5. John M. Ron S. and Tim B. are preparing and serving lunch for all the volunteers at the food drive for Douglas county food shelf on December 7th. The Council is providing the food as we did last year. This will be at CVI in Minden.

6. We again are working on a solution to meetings for our council. I am working with Letty to work out a schedule.

This month December there will only be an officers meeting on Dec 10th. It will start at 6pm. It will be in a different room than usual. In January we will start having business meetings starting at 6pm and general meetings to follow at 7pm. This will probably be on Mondays, and only the one meeting a month.

Any questions or comments please call me at 775-790-5490.

7. Brother Knights, prayers are needed for this country. The divide and disrespect for each other is very troubling. This is a great nation and a beautiful place to live. Please reflect on all the blessings you have received from our Lord. I am asking that for the next 3 weeks, once a week take the time to do something charitable for someone you would not normally think about doing.

It doesn't need to be something big. Just a gesture of kindness or even a Prayer.

God Bless
Michael Houdyshell
