

Brother Knights,

For a lot of our brothers it has been a busy October. We served 700 smoked tri tip sandwiches at the Minden air show. Thank you to all the brother Knights that helped with that project. We made 2770. dollars for charity.

There were two bingos in October, and we also had a group of Knights that helped with Jerry Jilk's daughter's wedding. It was great to see the Knights helping with all these different venues. It would be great to see more participation by Knights that have chose to not help out with these activity's. Sometime making excuses and complaining is harder and more exhausting than the participation itself. A big Thank you to all that have helped.

We do have a project Father Dan has been asking about. He would like a privacy fence at his residence. I have gotten a few bids and they are over \$5000.00. If we can get a crew together we can cut that in half. it would be nice to find some donors to provided money for the materials. If anyone has some ideas please call me or come to a meeting so that we can help Father out.

Officers meeting on Monday November 12th and general meeting Wednesday  
November 14th,  
Both starting at 7pm.

God Bless  
Michael Houdyshell
