A letter from the Grand Knight

Fellow Knight,

The Holiday season is fast approaching, and a time for us to enjoy family and friends. Hopefully you will have some time to reflect on how lucky we all are to enjoy the fellowship of the St. Gall community. Take the time this season to share a little of your time with others. Use this opportunity to renew old friendships, and help others in need.

For those that cannot attend this months Knights meeting, may your family enjoy the Blessings of a Happy Thanksgiving. For those Knights that are coming to the Officers meeting, Monday Nov. 7th or the Council meeting Wednesday, Nov 9th. Both meetings start at 7pm sharp. We will be voting on the resolution to change the by laws. This will change the proxy required to hold a meeting from 25 to 8.

Also there will be a 50/50 drawing, a chance to win some cash.

There will be a chance to win a bottle of wine if you can answer the question of the month, from the newsletter. Hope to see all of you there.

I was at the last bingo. We were short two people in the kitchen, they were also short help on the bingo floor. Fellow Knights, If you could please call Mike Mullins (775-782-7290) and sign up for Two bingo's a year. That is just 10 hours of volunteering a year for the biggest fun raising activity we have. It is easy and fun and follows your pledge of Charity as a Knight.

God Bless
Grand Knight

PRAYER OF OUR COUNCIL 12845

Heavenly Father,

We humbly ask for guidance for our Knights of Columbus Council 12845. Please help us to always do your will in all our deliberations, and actions. We ask for guidance from the Holy Spirit to drive out any fear that we may have in volunteering or carrying out our duties, replacing that fear with faith. We look forward with faith that we will always do what is pleasing to you. We thank you for allowing each of us Knights of Columbus to have the privilege serving you.

Amen

Backpack Buddies Designated Bingo

On October 28th we had a designated bingo for Backpack Buddies; a check was given to them in the amount of \$1100.
